Classes

I am really excited that our classes are overflowing with eager crafters. However, this last month we had to turn some customers away as our classes were at their capacity and I didn't have enough product to allow the additional crafters in the class. Please sign up and prepay as far in advance from now on so that we can make the appropriate timely purchases and arrangements.

I would also like to remind everyone to bring the basics to each and every class. (Dry and Wet adhesives, cutting system, ruler, pens, pencils and scissors)
