Memories of Time

I want to take this time and congratulate Carol Holmes for winning the Scrapbook weekend with Scrappy Chicks. The girls that run this retreat are absolutely wonderful. If you ever just want to get away, please consider them. The beach home is beautiful and well equipped.

Heather has been working hard on our online store. It should be up and going in the near future. Thanks for doing this for me Heather!

Memories of Time thanks you for your continued support. It has been a great 10 years.

We will meet all your scrapbooking needs
